IDAHO CHAPTER

April 1, 1991

Dear Idaho Chapter Members:

Greetings from Canoe Campsite!

I apologize for neglecting my presidential duties and not getting a report to you long ago. After a long sigh of relief upon completion of the annual meeting in Lewiston I kicked off my shoes and laid back and let the winter slip past.

We ended the annual meeting in the black. I add my appreciation to that of past president Fazio for a job well done. James has been in contact with us a couple of times - pining for the mountains of Idaho I suspect. He sends his best to all of you. A concern he expressed before he left, and which I share, is that our interest and participation in the Foundation would diminish. Lets not let that happen. There is still much to accomplish and hold our interest concerning the Lewis and Clark Trail in Idaho.

In reviewing the Chapter by Laws I find we are behind in following the direction of the By Laws. We should have nominated new candidates for officers last Spring and held an election of new officers this Spring. Unfortunately with the excitement of the annual meeting we neglected to nominate candidates and now need to do that. Because of the lateness of the season I do not think it realistic to hold an election this Spring. I suggest we delay the election until later this summer to give us time to form a nominating committee, select candidates and conduct an election prior to holding a late summer or early Fall Chapter meeting.

I have not appointed a nominating committee. Not being acquainted with most of you I have not felt comfortable selecting a committee. I would like to give you an opportunity to volunteer to serve on the nominating committee. Please contact me if you would like to serve on the committee and I am sure the task is yours! I will wait until May 1 for a response from Chapter members regarding the following:

1. desire to serve on the nominating committee.
2. suggestions for a time and place for our next Chapter meeting.

Idaho Chapter Officers

James R. Fazio, President

IDAHO CHAPTER

Failing to get volunteers for the committee I will use the scientific dart method to select a committee - so please step forward.

We should nominate candidates for new officers early this Spring and complete our election-by-mail by late July, or early August to permit us to install new officers at our next meeting.

During 1990 we carried a number of non-members and complimentary memberships on the Idaho Chapter mailing list because of their interest and participation in the annual Foundation meeting at Lewist on. Most of these persons will now be dropped from the Chapter mailing list. I invite those of you who have enjoyed this status to join the Idaho Chapter and continue your participation in the Lewis and Clark Trail Heritage Foundation.

Shake off that winter lethargy and stir yourself for another exciting summer of exploring the history of Lewis and Clark.

Sincerely,

Duane E. Annis
