## NEXT ISSUE OF *WORTHY OF NOTICE* WILL BE DELIVERED BY E-MAIL

The Annual Meeting of the Washington State Chapter of the LCTHF, on February 3rd, 2017, approved a significant change in how *Worthy of Notice*, the official newsletter of the Chapter, will be delivered in the future.

Beginning with Volume 19, Issue 3 of *Worthy of Notice*—the third newsletter of 2018—the primary method of delivery will be via email, in the widely-used PDF format. Electronic delivery will save time in the publishing process, and reduce the cost of printing and mailing for the Chapter. Members can also anticipate receiving the newsletter a few days earlier.

Discussions at the meeting concluded that the new method of delivery will work well for most of our membership. However, all agreed that there will be exceptions.

Therefore, if you do not have an email account, or if you don't have convenient access to a computer for receiving email, or if your computer can't open PDF files, or if you have difficulties with using a computer, I can still send you a paper copy of *Worthy of Notice* through the U.S. Mail.

To arrange for continued delivery of a paper copy of the newsletter, please contact me as soon as possible. You can send me a note at the address on the last page of this newsletter, or contact me at the email address below, to let me know that you wish to opt out of e-mail delivery.

## WASHINGTON STATE & OREGON CHAPTERS JOINT SPRING MEETING APRIL 28, 2018 - ILWACO, WA

The Washington State Chapter will hold a joint Spring Meeting with the Oregon Chapter on April 28th, at the Columbia Pacific Heritage Museum in Ilwaco, WA.

Our featured speaker for the meeting is Ron Craig, filmmaker and Executive Director of the Astoria International Film Festival.

Ron will screen his renowned documentary, *Searching for York*. He will also discuss the film, which was completed for the Lewis and Clark Bicentennial, and remains a valuable resource for young and old alike to learn the story of William

Clark's slave who fully participated in the Corps of Discovery's epic trip.

Much of *Searching for York* was filmed locally and features several area residents. Ron will describe how the research and film making impacted his own life as an African American who grew up in Portland, and how he talks about York to young audiences today.

The joint meeting will focus primarily on planning for the 50th Annual Meeting of the Lewis and Clark Trail Heritage Foundation in October (see the pullout in-

## PRESIDENT'S MESSAGE

BY RENNIE KUBIK

I want to wish you all very happy spring. We have the 50th annual meeting of the Lewis and Clark Trail Heritage Foundation coming to Astoria the week of October 7th through the 10th. You can register online, or through the forms available in this issue of *Worthy of Notice* and the February issue of *We Proceeded On*.

Our chapter agreed to help the Oregon Chapter with this meeting! There will be lots of little things that our chapter can help with, starting with our joint Spring meeting this month, so be sure to volunteer.

We want to remember Patricia Johnson Hunt who passed November 2, 2017.

Bob and Pat Hunt were generous supporters of our chapter and of the Lewis and Clark Trail Heritage Foundation. If you would like to honor Patricia, consider making a donation to the LCTHF. Send your check to the LCTHF at Box 344, Great Falls, MT. 59403 or online at [www.lewisandclark.org](http://www.lewisandclark.org).

I wanted to thank Jim Sayce for his outstanding program in February. I think we all enjoyed learning about Dismal Nitch and Station Camp.

Did any of you catch the History Channel's "The Men Who Built America: Frontiersmen" series now airing on your local channel? How many mistakes did YOU catch?????

## 2018 ANNUAL CHAPTER MEETING MINUTES (PART 1)

President Rennie Kubik called the annual meeting of the Washington State Chapter—Lewis and Clark Trail Heritage Foundation to order at 10:30 am at the Washington State Historical Society in Tacoma, WA, and passed out the agenda\*. Barb Kubik introduced the guest speaker, Jim Sayce of Seaview, WA. Jim spent about an hour walking us through the “forensic ecology” around the mouth of the Columbia River, of how the river and the shoreline looked in 1805, and how it looks today, as well as how we can find the landmarks the journal-keepers described in their daily journals.

Following Jim’s program, Rennie called the chapter’s annual business meeting to order:

*Note: A star [\*] denotes a handout.*

The minutes of the last meeting were included in the most recent chapter newsletter, “Worthy of Notice.”

Nick Giovanni presented the treasurer’s report\* on behalf of Kathy Giovanni, who was unable to attend the meeting.

We have \$5,011.08 in an extremely low interest-bearing CD; it is Nick and Kathy’s recommendation we look for another CD, with a better rate of interest. The membership concurred.

Tim Underwood, chair of the Nominating Committee, explained the officers and board members are all starting

the second year of their two-year terms. It was moved and seconded the chapter keep the officers and board members in place for the second year of their two-year terms. The motion passed on a unanimous vote.

Barb Kubik encouraged chapter members to volunteer for one of the regional History Day contests starting March 3.\* The state contest will be April 21.

### 50<sup>th</sup> Annual Meeting

Larry McClure, the chair of the 50<sup>th</sup> Annual Meeting of the Lewis and Clark Trail Heritage Foundation, in Astoria, October 7-10, 2018, provided chapter members with a list of volunteer needs\*, and reviewed the program, noting:

- The salt-makers encampment will be in Seaside on Saturday, the 6th. Volunteers will be need to direct traffic and visitors, and to help with interpretation. Oregon Chapter member, Mike Carrick, has agreed to sponsor this event.

- Sunday, we will spend the day at Fort Clatsop, with a variety of programs, exhibits and other activities. There will be a salmon feast at the Clatsop County Fairgrounds that evening, sponsored by the Chinook people.

- Due to a lack of space at the venue in Astoria [the Holiday Inn Express and the Loft], there will be no vendor’s fair this year. We will have ample opportunities to shop at the various sites—Fort Clatsop, Lewis and Clark Interpretive Center, Columbia Maritime Museum, etc.

- Following the business meeting, program and Awards Lunch on Monday, we will explore the north side of the Columbia River. There will be volunteers and interpreters at each site; Glen Kirkpatrick is working on a travel guide to help us locate key sites on both sides of the Columbia River. We are free to dine wherever we wish that night, with restaurants in Long Beach and Astoria, as well as opportunities for picnics.

- Tuesday, the city’s trolley will take us to the Columbia Maritime Museum, where we will board the Spirit of Portland for a three-hour cruise, including breakfast and lunch and programs. This trip will be open to the public for \$99; the chapter members were encouraged to advertise this activity.

- After the cruise, meeting attendees will have an opportunity to visit the museum, attend programs there and/or explore Astoria [the Astor Column, the Favell House, the walking trails] and have dinner in Astoria.

- On Wednesday, there will be an on-site program, before we take a box lunch, and explore the south side of the Columbia River, with the same kinds of arrangements we found on the north side. We should return to Astoria in time for the no-host reception, dinner, and evening program.

- There will be a variety of pre-/post-meeting programs, activities and tours.

Based on this program, Larry then reviewed the list of volunteers the Oregon Chapter will need for the meeting. *To be continued in the next issue—Ed.*
